Description of services and/or supplies to be provided:

Immediate expenditure is necessary for repairs to State property to protect against further loss or damage. As a result of a winter with extreme freeze/thaw cycles and excessive moisture we have experienced an excessive amount of potholes and pavement deterioration. These conditions are creating a traffic hazard causing vehicles to have tire blowouts or swerve into adjacent lanes potentially causing accidents. We have had numerous complaints/claims.

The work includes inlaying the pavement and associated repairs on US51B/Center Street (from Division St. to Locust St. in Bloomington) and US150/Clinton Street (from Empire St. to just north of Oakland Ave in Bloomington) in McClean County.
