Reason for selection of this particular contractor/vendor:

Samron Midwest Contracting was selected to perform this work based on their low bid and their availability to perform the work. Below are the contractors contacted and their bid price: Samron Midwest Contracting: \$938,637.40 E. T. Simonds Construction Company: \$1,408,737.84

Description of services and/or supplies to be provided:

A temporary support will be constructed under SN 039-0075, the eastbound bridge of IL 13 over the Big Muddy River, on the west bank of the river, adjacent to existing Pier 4. This is necessary to protect the bridge and keep the traveling public safe because a landslide has pushed Pier 4 towards the river. Also included is traffic control to temporarily divert traffic off the eastbound bridge, onto the westbound bridge, until the temporary support is in place.

Is there an existing State contract available for the required services and/or supplies? Yes No
