Emergency Purchase Details

Emergency Category (Click List Box to re-select the appropriate option(s)).

Involving threat to public health or public safety Immediate expenditure is necessary for repairs to State property to protect against further loss or damage
--

Reason for selection of this particular contractor/vendor:

Haier Plumbing and Heating, Inc. was selected to perform this work based on their experienced staff, specialty equipment, and their ability to respond immediately. Below are the contractors contacted and their bid price: Hanks Excavating and Landscaping \$38,530.00 Haier Plumbing and Heating, Inc. \$21,116.00 Odesco Industrial Services - no bid returned

Description of services and/or supplies to be provided:

During recent flooding events along the Mississippi River in Alton, IL, flood water entered the Department's storm sewer system along IL 100/Broadway inundating it with mud and debris. This storm sewer needs to be cleaned to maintain efficiency and minimize any future flooding concerns due to impacted pipes. Due to the length and depth of the storm sewer and also the depths of several of the basins/Structures, the District is unable to perform this work with our forces and equipment.
--

Is there an existing State contract available for the required services and/or supplies? Yes No
