Description of services and/or supplies to be provided:

Immediate expenditure is necessary for repairs to State property to protect against further loss or damage. Recently Coles County, particularly the Charleston area, received several inches of rain in just a few hours. The flash flooding caused significant scouring and erosion around the piers of a bridge we maintain south of Charleston. District 7 assessed the structure and is requesting to proceed with an emergency contract to install riprap and other fill material to stabilize the piers and overall structure. This project is located on Lincoln Highway south of Charleston under our bridge (015-0027) over Cassel Creek.

Is there an existing State contract available for the required services and/or supplies?  Yes  No

Expected Start Date: Apr 25, 2018 Estimated End Date\*: Jul 23, 2018

Amount of this expenditure is: \$150,000 Actual or Estimated\*: Estimated \*

\*Estimated end date and cost will be reported later.
