Involving threat to public health or public safety
 Immediate expenditure is necessary for repairs to State property to protect against further loss or damage

Reason for selection of this particular contractor/vendor:

Illinois Valley Paving was selected to perform the work as they were the only contractor to submit an unofficial bid. They can respond quickly and have the equipment and experience to do this work.

Other contractors contacted included:

- K.E. Vas
- Truman Flat
- P. H. Broughton

Description of services and/or supplies to be provided:

Illinois 125 in Cass County from Virginia to Beardstown has deteriorated quickly after winter operations were completed with the wild temperature swings. The deterioration has accelerated over the last week due to the intermittent rain that has inundated the area. Contractor is needed to mill and resurface the intersections of Illinois Route 125 and US Route 67 and Illinois Route 125 and Arenzville Road in Beardstown where the potholes are occurring in the driving lanes. The contractor will be milling 1 1/2 inches and replacing with Hot Mix Asphalt and pavement stripping at these intersections.

Is there an existing State contract available for the required services and/or supplies? Yes No
