Subject: Condition Rating Survey Amendment #1/CRSFY25
SPO Determination on Award Recommendation

As the State Purchasing Officer for the Illinois Department of Transportation, I offer the following.

I concur with the Department's recommendation of its intention to amend the contract with Pathway Services for the Condition Rating Survey Contract/CRSFY25. The Amendment will allow Pathrunner, a specialized equipment, to be used to supplement and support the CRS data collection and annual reporting to Federal Highway Administration (FHWA). This will allow the Department to collect and report post construction data in a timely manner. The Amendment increases the cost by \$1,500,000.00. The new total contract amount is \$12,579,360.00. All other terms and conditions remain the same.

Effective date of the amendment is upon execution.
