

I-290 Drainage Improvements Project Industry Forum

An industry forum will be held for the I-290 Drainage Improvements Project. The purpose of the forum is to assess industry interest and garner input in the project with the potential advancement of referenced project utilizing a Construction Manager/General Contractor (CMGC) delivery method. The industry forum presentation will include, but not limited to, an overview of the Project, an update on the status of Project Reference documents, an overview of the goals and objectives of the Request for Information (RFI) process and a discussion on opportunities for small, disadvantaged, minority, and women-owned businesses.

An RFI has been issued in conjunction with this industry forum which provides additional information on the Project and industry forum. The RFI can be viewed on the IPD Procurements webpage at <https://webapps1.dot.illinois.gov/WCTB/lbhome>
