

LETTING YOU KNOW

The Illinois Department of Transportation (IDOT) is interested in maintaining close communications with industry. This newsletter highlights subjects that we believe will be of interest to you.

No. 180

November 18, 2022 Letting

Certified Payroll

IDOT will require prime contractors and subcontractors to enter certified payrolls into the LCP Tracker Pro software solution for all state-let contracts beginning this November. No software purchase is required. Upon contract execution, contractors will be granted the ability to login to the Illinois DOT LCP Tracker solution and begin entering employee and payroll information for IDOT contracts.

I-80Will Construction Industry Forum

The Illinois Department of Transportation is hosting an I-80Will Construction Industry Forum. The meeting will take place on October 18th at 1:30 pm at the Holiday Inn & Suites Joliet Southwest & Rock Run Convention Center, 1471 Rock Creek Boulevard, Joliet IL. It will be a great opportunity for you to learn about upcoming contracting opportunities and build new partnerships.

As part of the I-80Will Project, over 16 miles of I-80 through the Joliet area, including 30 bridges, are planned to be reconstructed over the next six years. Construction industry companies are encouraged to attend this forum to learn about the construction schedule and upcoming lettings. There will be a meet and greet with prime, DBE and small firm subcontractors.

Follow the link on the attached flyer to register for this opportunity-filled forum.
